We've received a lot of sampling data from the Dimock area. Karen is most familiar with the specifics, and is very much engrossed in it right now. I think her schedule is going to be crunched, but if she can, I'm available at 9:00 am on Tuesday. Will that work?--Vicky

Subject: Dimock

Karen and Vickie, CID received some information today that I believe may warrant us to look into an allegation ref Dimock.... If you two are available tomorrow, I would like to sit down to review what the Region has obtained from Cabot, ref analytical data. I know it has been comprehensive, I am looking at the 30,000 foot level to see if it warrants further investigation. Please advise of availability I have a 2pm conf call.....
